"I keep coming back because you have THE BEST staff. My daughter loves all of her counselors!"

- Classic Cardinal Camp Parent
Welcome (or welcome back!) to our Camp Cardinal Community!

We can’t wait to have you join us this summer at Stanford. We hope you’re ready for engaged and safety-focused staff, phenomenal facilities, and innovative programs. We have camps that challenge your camper’s physical, mental, and social skills in age-appropriate activities. When your camper registers for Camp Cardinal, they are a Cardinal Kid for life. Our main camp program is for grades K-6 and then campers graduate to our Counselor-in-Training Program where they can eventually become Camp leaders!

**Featured Camps**

**CLASSIC CARDINAL**

Weeks 1 – 9 || June 15 – August 14, 2020
$415 Stanford // $470 Public
Grades K – 6

Our famous classic camp is back for more fun! Don’t miss a week (or three!) of our Classic Cardinal. Your camper will learn valuable skills for at least 3 new sports, as well as the value of teamwork and positive coaching. Your camper will build skills and confidence that lead to a lifetime of physical activity and wellness, and in the afternoons have the option for arts-and-crafts, swimming, or even more sports – the choice is yours!

**STEAM AND STEM**

Week 1 || June 15 - 19, 2020
$550 Stanford // $605 Public
Grades K – 6

For one half of the day, let your imagination run wild with tons of LEGO® parts Build engineer-designed projects and explore your craziest ideas in a supportive environment. The other half, channel your inner Jedi as you build A-Wings, droids, and palaces inspired by designs made a long time ago in a galaxy far, far away. Create motorized sand crawlers, drone assembly lines, Battlcrewers, and other imaginative themed projects.

**COUNSELOR-IN-TRAINING**

Weeks 1 – 9 || June 15 – August 14, 2020
$320 Stanford // $385 Public
Grades 7 - 10

The goals of the Counselor-In-Training (CIT) camp program are to teach the general skills of leadership that can be used at school, home, and in your community (not just at camp.) They will learn specific skills for working with campers and fellow co-workers, as well as gain experience planning and leading camp activities. No two weeks are the same as they will have hands-on experience with new campers each week. CITs will leave this leadership experience with the tools to excel as positive mentors and role-models for their peers and campmates alike.

**SPECIALTY CAMPS**

**GO CARDS GO!**

Week 6 || July 20 – 24, 2020
$550 Stanford // $605 Public
Grades K – 7

Let’s GO Cards GO! It’s a field trip all day, everyday at this camp. Join us as we load up the buses and explore our local Bay Area as we visit popular field trip spots including the Tech Museum, San Francisco Zoo, Lawrence Hall of Science, and more!

**NINJANEERING WITH LEGO®**

Week 7 || July 27 - 31, 2020
$465 Stanford // $520 Public
Grades K – 6

Enter the world of Ninjago and become an apprentice Ninjaneer! Learn the way of Spinjitzu, ride your Elemental Dragon, and face the Great Devourer! Imagine and build unique and fun projects with the guidance of an experienced Play-Well instructor while exploring the fantasy world of Ninjago.

**HARRY POTTER MASTER ENGINEERING**

Week 8 || August 3 - 7, 2020
$465 Stanford // $520 Public
Grades K – 6

Master the magic of Harry Potter using LEGO® Build Dragon Alley in preparation for your camper trip to Hogwarts School of Witchcraft and Wizardry. Join your camper Broomstick and play Quidditch, duel the evil Lord Voldemort, and hone your camper magical skills while learning about advanced Science, Technology, Engineering and Mathematics (STEM) concepts. Spend the second half of the day in the pool, or choose an afternoon adventure such as art or sports.

**HARRY POTTER MAGICAL ENGINEERING**

Week 3 || June 29 – July 3, 2020
$465 Stanford // $520 Public
Grades K – 2

Explore the magic of Harry Potter using LEGO® Final Platform 11, build Hogwarts™ Train, work cooperatively to construct the mysterious Hogwarts Castle, and soar on the wings of a Norwegian Ridgeback Dragon. Travel to a world of wizardry and hone your camper magical skills while learning about Science, Technology, Engineering and Mathematics (STEM) concepts. Spend the second half of the day in the pool, or choose an afternoon adventure such as art or sports.

**WEDO ROBOTICS WITH LEGO®**

Week 1 || July 3 – 7, 2020
$465 Stanford // $520 Public
Grades K – 2

The first half of the day your camper will build and program robots in this introductory Robotics class using the LEGO® WeDo system. Learn basic programming skills, simple engineering concepts, and the names of robot components. Your camper will work in small groups to complete several projects using tilt and motion sensors. Spend the second half of the day in the pool, or choose an afternoon adventure such as art or sports.

**FEATURED CAMPS**

**CLASSIC CARDINAL**

Weeks 1 – 9 || June 15 – August 14, 2020
$415 Stanford // $470 Public
Grades K – 6

Our famous classic camp is back for more fun! Don’t miss a week (or three!) of our Classic Cardinal. Your camper will learn valuable skills for at least 3 new sports, as well as the value of teamwork and positive coaching. Your camper will build skills and confidence that lead to a lifetime of physical activity and wellness, and in the afternoons have the option for arts-and-crafts, swimming, or even more sports – the choice is yours!

**STAR WARS AND STEM**

Week 1 || June 15 - 19, 2020
$550 Stanford // $605 Public
Grades K – 6

For one half of the day, let your imagination run wild with tons of thousands of LEGO® parts! Build engineer-designed projects and explore your craziest ideas in a supportive environment. The other half, channel your inner Jedi as you build A-Wings, droids, and palaces inspired by designs made a long time ago in a galaxy far, far away. Create motorized sand crawlers, drone assembly lines, Battlcrewers, and other imaginative themed projects.

**SWIM AND SPORTS**

Week 2 || June 22 - 26, 2020
$465 Stanford // $520 Public
Grades K – 6

You asked and we listened — kids want more water time! Register your camper for this week to get the best of both worlds — morning time in the water, afternoon on the field or in the craft room. In partnership with Stanford Aquatics we’ll use the pool and our imagination (and maybe a basketball hoop!) spending our first half of the day with all things water. A swim test will be administered on the first day of camp.

**EV3 ROBOTICS WITH LEGO®**

Week 2 || June 22 – 24, 2020 (Grades 3 - 6)
$465 Stanford // $520 Public
Week 4 || June 4 - 8, 2020 (Grades 3 - 6)
Week 6 || June 11 – 15, 2020 (Grades K – 2)
$465 Stanford // $520 Public

The first half of the day your camper will build and program robots using the new LEGO® Mindstorms EV3 system! Learn about mechanical and software design, loops, conditional statements, problem solving, and teamwork skills. We will control the robot to avoid obstacles, pick up and carry objects, and play sounds. Spend the second half of the day in the pool, or choose an afternoon adventure such as art or sports.

**NOTE:** no swim instruction is included with this program.

**HARRY POTTER MAGICAL ENGINEERING**

Week 3 || June 29 – July 3, 2020
$465 Stanford // $520 Public
Grades K – 2

Explore the magic of Harry Potter using LEGO® Final Platform 11, build Hogwarts™ Train, work cooperatively to construct the mysterious Hogwarts Castle, and soar on the wings of a Norwegian Ridgeback Dragon. Travel to a world of wizardry and hone your camper magical skills while learning about Science, Technology, Engineering and Mathematics (STEM) concepts. Spend the second half of the day in the pool, or choose an afternoon adventure such as art or sports.
